Patron Opportunity!

2010

45th Annual Ice Show

For a limited time, you have an opportunity to personally participate in an exciting event for area skaters and our club. We're putting together our Ice Show program and we invite you to join in the fun and excitement by participating as a Patron as we celebrate the accomplishments of our skaters.

Our 45nd Annual Braemar Ice Show promises to be the best ever! This longstanding tradition will be held on Friday, April 23 and Saturday, April 24 at the Braemar Ice Arena in Edina. The show will feature US National competitor Alex Johnson, the National Champion and Team USA international competitors Team Braemar Junior Synchronized Skating Team plus nearly 200 current and aspiring ice skating champions!

For as little as \$40, your name or the name of your family or business will be displayed prominently in the program as a Patron, a sponsor of your favorite skater and the Braemar-City of Lakes Figure Skating Club Ice Show.

In addition, you will receive a complimentary copy of the Ice Show program and can take advantage of a seating area reserved exclusively for Patrons.

As a Gold or Silver Patron, you will receive complimentary Ice Show tickets. Gold Patrons receive 4 tickets and Silver Patrons receive 2 tickets. Additional tickets may be ordered: \$6 for adults and \$4 for students and seniors. Your Patron Ice Show tickets will be mailed to your home.

Participating as a Patron is a great way for grandparents to show their support for their skater. Please forward this information to them. The Patron Form is also posted on the BCLFSC web site at <http://www.braemarfsc.org> in the Spring Skating Show section and on the Club Bulletin Board.

Also note two other Ice Show support opportunities. Consider placing a Support Ad or a Love Note. See the BCLFSC web site or the Club Bulletin Board for details and forms.

Time is short so please act today! Complete the attached Patron Agreement and return it with your payment on or before April 10.

If you have questions or need more information, e-mail Phil Ernst at ernstphil@aol.com.
