2010 BRAEMAR
45th Annual Ice Show
Support Ad Opportunity

For a limited time, you have an opportunity to personally show your support and appreciation for your favorite skater or support person in a lasting way.

We're putting together the program for our 2010 Braemar 45th Anniversary Ice Show and we want to include your message of congratulations, thanks, support, encouragement or fond memories.

Your message is printed in the format of a magazine ad, ranging from quarter page to half page to full page, using your pictures, graphics, text and layout.

Our 45nd Annual Braemar Ice Show promises to be the best ever! This longstanding tradition will be held on Friday, April 23 and Saturday, April 24 at the Braemar Ice Arena in Edina. The show features US National competitor Alex Johnson, the National Champion and Team USA international competitors Team Braemar Junior Synchronized Skating Team plus nearly 200 current and aspiring ice skating champions!

Please complete the attached form and submit it with your check and the artwork for your ad by April 10. Please submit your ad in final and complete layout in jpeg or PDF format if possible.

The Support Ad form is also posted on the BCLFSC Internet site at <http://www.braemarfsc.org> in the Spring Skating Show section and on the Club Bulletin Board.

Also note two other Ice Show support opportunities. Consider participating as a Patron or placing a Love Note. See the BCLFSC web site or the Club Bulletin Board for details and forms.

Time is short so please act today! If you have questions, please contact Phil Ernst at ernstphil@aol.com.
