

**2011 BRAEMAR**  
**46<sup>th</sup> Annual Ice Show**  
**Support Ad Opportunity**

For a limited time, you have an opportunity to personally show your support and appreciation for your favorite skater or support person in a lasting way.

We're putting together the program for our 2011 Braemar 46th Anniversary Ice Show and we want to include your message of congratulations, thanks, support, encouragement or fond memories.

Your message is printed in the format of a magazine ad, ranging from quarter page to half page to full page, using your pictures, graphics, text and layout.

Our 46<sup>nd</sup> Annual Braemar Ice Show promises to be the best ever! This longstanding tradition will be held on Friday, May 5 and Saturday, May 6 at the Braemar Ice Arena in Edina. The show features defending National Champions and Team USA international competitors Team Braemar Junior Synchronized Skating Team plus nearly 200 current and aspiring ice skating champions!

Please complete the attached form and submit it with your check and the artwork for your ad by April 23. Please submit your ad in final and complete layout in jpeg or PDF format if possible.

The Support Ad form is also posted on the BCLFSC Internet site at <http://www.braemarfsc.org> in the "Spring Skating Show" section and on the Club Bulletin Board.

Also note two other Ice Show support opportunities. Consider participating as a Patron or placing a Love Note. See the BCLFSC web site or the Club Bulletin Board for details and forms.

Time is short so please act today! If you have questions, please contact Phil Ernst at [ernstphil@aol.com](mailto:ernstphil@aol.com).
