Alex Johnson photographed during his USFSA Nationals Freeskate Program

BCLFSC's Alexander Johnson has been honored by membership in the U.S. Figure Skating Scholastic Honors Team!

The USFS Scholastic Honors Team is an organization that was established in 1996 to recognize academic excellence and community involvement in addition to figure skating excellence. A Senior at Hopkins High School, Alex was chosen based on his straight-A grade point average, his membership in the National Honors Society, and the numerous charitable organizations he has committed his time to over the past several years, including "Feed My Starving Children" and "Operation Snuggles".

Braemar FSC is proud of Alex's example of commitment, dedication and success both on and off the ice.

Congratulations, Alex!
